> **Schule gut** < ...simply better.

Our > **Schule gut** < 's aim is to reach different learning targets, such as better marks or a good graduation. Misunderstood learning matters should be eliminated by special studying techniques and methods.

We offer > **Schule gut** < training:

- > **classic** < group of 4 pupils
- > **intensive** < group of 2 pupils
- > **exclusive** < individualised training

Our > **Schule gut** < team includes motivated and qualified teachers, which are classed from basic primary school, to secondary school by the District Council Düsseldorf. Therefore it is guaranteed that gaps in one's knowledge won't exist anymore.

Use our popular one month trial period (from 49,00 €) to be sure, that your child is supported well.

We will support you all the way, from „Lernstandserhebung“, central exam to graduation. So that you and your child will not worry about school anymore.

In addition you can use the extracurricular private lessons „education and participation“ of your town (Lernförderangebot für außerschulische Nachhilfe „Bildung und Teilhabe“).

We are pleased to help and advise you with your application.
